- B. District facilities (i.e., meeting rooms, display cases, public bulletin boards, display racks, and the art gallery) shall be maintained for public use, communication, and information. The District encourages public, community and social and private organizations to use these facilities and will adopt policies to encourage such use.

In such event, all fees will be refunded. The District accepts no liability, beyond refunding prepaid fees, for lack of availability of a scheduled meeting room or display case for factors beyond its control.

Requests for exceptions to these policies and procedures may be brought to the Board in accordance with Policy No. 8200.3 (Agenda Items from the Public).
- E. Failure to comply with provisions of the facilities use policies may result in cancellation of the access agreement and denial of access to facilities in the future. In addition, if the Board believes there is a violation of District policy, or use constitutes a hazard, maintenance problem or is not in compliance with the missions and goals of the District, the Board reserves the right to revoke the privilege of use of the meeting room at any time.
- F. The District accepts no liability for use of the facilities. While not a prerequisite to use the facilities, individuals and organizations are encouraged to obtain appropriate insurance for the meeting, display, etc. The District accepts no liability for materials, works of art, etc., which are deposited in District facilities for exhibits or displays. The District does not provide insurance for materials exhibited or displayed.
- G. Facilities use is limited to the type of activity for which the approved application states. The Office of the Director must be notified of any changes in the type of meeting or activity planned.
- H. The applicant and his/her organization shall be responsible for damage to District owned equipment and/or property.
- I. Use of District facilities does not constitute District endorsement of the policies, views, or beliefs of any individual or group providing a program.
